# View Prosthetics Billing Information User Manual

## Overview

---

### Introduction

This **View Prosthetics Billing Information User Manual** is for Patch RMPR\*3\*96. This patch provides Prosthetics GUI (graphical user interface) windows for the **View Prosthetics Billing Information** feature.

The Prosthetics and Billing users will be able to do the following with this patch:

- Search for data and display data by a range of dates.
  - Sort and rearrange the view; display data in a custom view.
  - Print the display.
  - Convert the display into a Microsoft Excel file (for more complex sorting capabilities).
- 

### Audience

These Release Notes are geared towards two audiences. The **Vista Sign-on** window will appear with different functions according to which type of user is accessing the Billing information. The two audiences for this document and the **Vista Sign-on** window include:

- Billing users – Section 1
  - Prosthetics users – Section 2
- 

### Data displayed

The data that is displayed on the **View Prosthetics Billing Information** window includes the following:

- Site
  - Create Date
  - Delivery Date
  - Patient name
  - Social Security Number
  - Insurance
  - Coding Errors
  - Item Description
  - Quantity
  - Total Cost
  - HCPCS
  - HCPCS Description
  - ICD9
  - ICD9 Description
-

## Section 1 - For Billing Users

### Billing Main Menu Window

---

#### Billing Main windows

Below is the **Prosthetics Main Menu** window where Billing users can first sign-on to VISTA (using the **Vista Sign-On** button) and then access the **View Prosthetics Billing Information** window. The Billing users will see a “*green dollar sign*” icon on the desktop to select the Prosthetics feature.

**Note:** Please see the **Prosthetics Main Menu User Manual** for more detail information regarding VISTA Sign-On instructions.

---

#### Prosthetics Main Menu

#### Billing button

Click the **View Prosthetics Billing Information** button and proceed to Section 3.

---

## Section 2 – For Prosthetics Users

### Prosthetics Main Menu Window

---

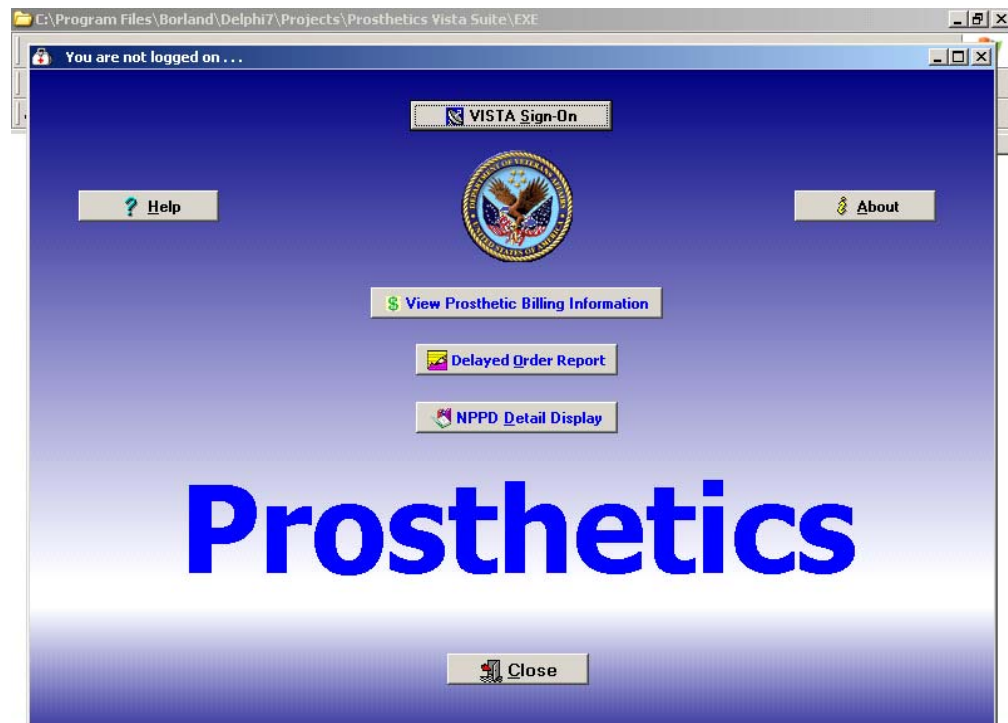

#### Prosthetics Main Menu Window

Below is the **Prosthetics Main Menu** window where Prosthetics users can sign-on to VISTA and then access the **View Prosthetics Billing Information** window. These users also have access to other Prosthetics features.

**Note:** To access this application, you will double click on the **Prosthetics VISTA Suite** (*medicine bag*) icon on desktop. Please see the **Prosthetics Main Menu User Manual** for more detailed VISTA Sign-on instructions.

---

#### Prosthetics Main Menu

#### Billing button

Click the **View Prosthetics Billing Information** button and proceed to Section 3.

---

## Section 3 – View Billing Information Package

### View Billing Information Window

#### Purpose

You can view Prosthetics billing information, insurance information and disability information for specific veteran using the **View Prosthetics Billing Information** window.

#### View Prosthetics Billing Information main window

#### Menu button

The **Menu** button will close the **View Prosthetic Billing Information** window and return you to the **Prosthetics Main Menu** window.

# Enter a Date Range

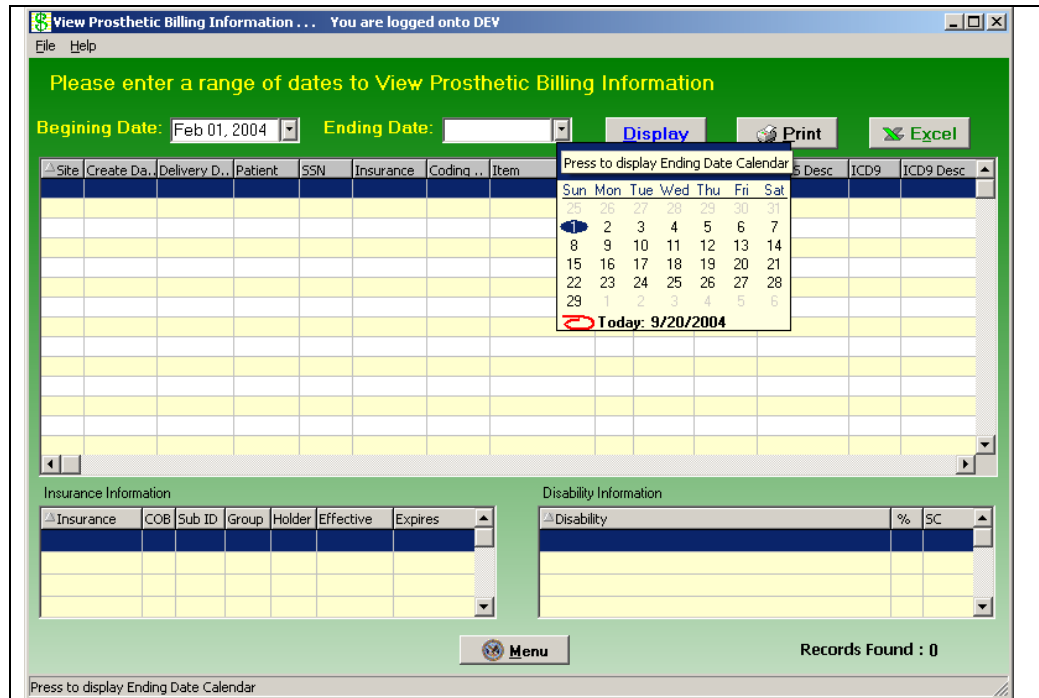

**Date/Calendars** After you have successfully signed on to VISTA, and the **View Prosthetic Billing Information** window appears, you must select the date range that you want to view. Enter a **Beginning Date** and an **Ending Date** by clicking on the drop-down list boxes next to the respective fields. A calendar displays as shown below.

**Note:** The software will sort by the **Create Date** field of the Prosthetics Purchase Order or Stock Issue. It does **not** sort by the **Delivery Date** field (the date paid).

**Shortcut:** Press the <Ctrl> key + <B> key for the Beginning Date and the <Ctrl> key + <E> key for the Ending Date to display the respective calendars. You can also click the **File Menu** and the **Select Beginning Date** or **Select Ending Date** option from the list.

## Calendar for date range selection

*Continued on next page*

## Enter a Date Range, Continued

---

### Selecting a date range

The calendars display with the current date circled in red shown at the bottom of the calendar. You can accept the current date by clicking on it. You can also change the date by the following methods:

---

Change the...	Description
Day	Click on the actual day of the week in the calendar.
Month	Click on the month at the top of the calendar to display a list of all months and select one from there. You can decrease or increase one month at a time by clicking the left or right arrows.
Year	Click on the year and an up and down arrow button displays for you to increase or decrease the year.

---

### Number of Day Restrictions

You are restricted to a date range of less than 100 days. If you select a date range outside of this 100 day parameter, the following dialog message box displays:

---

### Date Range Message box

### Start Date before End Date

If you accidentally entered an incorrect date range, you will receive a warning message. For instance, if you enter a start date that is after the end date, the message below will display. Click the **OK** button and reselect your date range.

---

### Start/End Date Message

# Display the Prosthetics Data

## Display the data

Once you have selected the date ranges, click the **Display** button to reveal the data within that date range. (You can also click the **File Menu** and the **Display** option.) A progress bar activates, and the button name changes to “*Searching*” while the system is retrieving records. (A long date range may result in a long search time.)

**Recommendation:** The larger the date range selected, the greater time it will take to search, sort, and display the data. We recommend that you sort by a short date range (5-10 days) and perform the sort early in the morning or later in the day when your VISTA system is less active.

**Shortcut:** Press the <Ctrl> key + <D> key.

## Change Data Display

---

### Changing the display of the data...

You can manipulate the layout of the view in the **View Prosthetics Billing Information** window for both viewing as well as printing purposes as follows:.

- To enlarge a column, click and drag a cell border.
  - To sort on any column, click on the header to sort it in ascending order.
  - If you click on the same column again, it will sort it in descending order.
- 

### Refresh data

If you have changed the sort order, you can refresh your data by clicking the **Display** button again.

**Note:** Refresh does not reset any column resizing that has been done.

---

## View Column Descriptions - Site, Dates and Patient Data

**Site** The **Site** column displays the VA facility where the veteran was treated and where the Prosthetics transaction was created.

**Create Date** The **Create Date** is the date the transaction (Purchase Order or Stock Issue) was created and posted to the Prosthetic veteran's record (2319).

**Delivery Date** If the **Delivery Date** field is blank, this indicates that Prosthetics has **NOT** paid the item; therefore an assumption is made that the veteran may not have received the item.

The **Delivery Date** is **not** the date the veteran received the item; it is technically the date the Purchase Order was closed or the date the Stock Issue transaction was posted to the 2319.

**Patient** The **Patient** column contains the veteran's last name and first name. Only Non-Service Connected transactions display for the requested date range.

**SSN** The **SSN** column displays the patient's Social Security Number (SSN).

# View Column Description - Insurance Information

## Insurance for a patient

The **Insurance** column displays health insurance information from the patient's VISTA record.

If there is no health insurance information in the patient's VISTA record, it displays "*Nothing Found*" in the **Insurance** column.

If health insurance displays, then the most recent insurance entered into the patient's VISTA record will display.

## Asterisk

If there is an asterisk (\*) in the **Insurance** column, this indicates that there is more than one insurance listed for the patient. If there is no asterisk (\*), then there is only ONE insurance listed for the patient in the VISTA record.

Click on that line item to display the insurance information in the box below.

## Sorting Tip

You can sort on the column headers within the **Insurance Information** box to group items together for easier review. For instance, you can click on the **Effective date** column or **Expires date** column headers, and this will group items for reviewing the most recent insurance.

## View Column Descriptions - Coding Errors

---

**Coding Errors** The **Coding Errors** column is to alert Billing users of a *possible* error. Errors could be any of the following:

- Inactive HCPCS
- Inactive ICD-9 codes
- Use of VA unique HCPCS codes.

The **Coding Errors** column checks the HCPCS code to see if it was valid at the time of service, and if not, then the word “HCPCS” is shown in red as well as the “HCPCS Description” is shown in red. This also applies to the inactive ICD9 Codes.

**Example:** If there is a red HCPCS displayed in the **HCPCS** column, then the **Coding Errors** column will display “**Alert HCPCS**” for Prosthetics or Billing users. This will provide a mechanism to alert users to review this billing information.

# View Column Descriptions - Item Information

**Item definition** The **Item** column displays an Item or appliance kept in the Pros Master Item file. This column displays the IFCAP Item description of the Item issued to the Veteran.

**~R~ in the Item column** An “~R~” displayed in the **Item** column represents a **Repair** item. The **HCPCS Description** column should explain what was being repaired.

The **Item** column is the “*Brief Description*” entry that is printed on the purchase order transaction and appears on the 2319 record. The *Brief Description* is entered to define the item.

**Tip:** You can sort on the Item column by clicking the column header to group items to review all Repair items together.

# View Column Descriptions - HCPCS and HCPCS Description Data

## HCPCS definition

The HCPCS acronym stands for Healthcare Financing Administration Common Procedure Coding System. The HCPCS code represents an item or service. The Prosthetics staff selects the HCPCS code when the transaction was created.

## Red HCPCS

If the HCPC Code and HCPCS Description in the **HCPCS** and **HPCPS Description** columns are red, that represents a HCPCS Code that has a coding error as defined by an Inactive HCPCS.

This provides an alert to Prosthetics and Billing users as this will affect billing information.

## Asterisk in HCPCS column and Calculation Flag

If there is an asterisk in the **HCPCS** column, this indicates that there is a calculation flag.

A calculation flag determines whether or not a HCPCS is used as a Main Component to display the entire cost of a purchase, when multiple items within the purchase make up a whole (e.g., when purchasing a limb or surgical implants).

## Section 4 - Printing

### Print the View Prosthetics Billing Information Window

#### Print the data

You can print the **View Prosthetics Billing Information** data after you have finished your sort by column heading. Click the **Print** button to send this information to your local printer, and click **OK** on the **Print** dialog box. (You can also click the **File** Menu and the **Print** option.)

**Note:** The layout of the print will be the same as the display. You can select a specific printer to print the **View Prosthetics Billing Information** window.

#### Change to Landscape

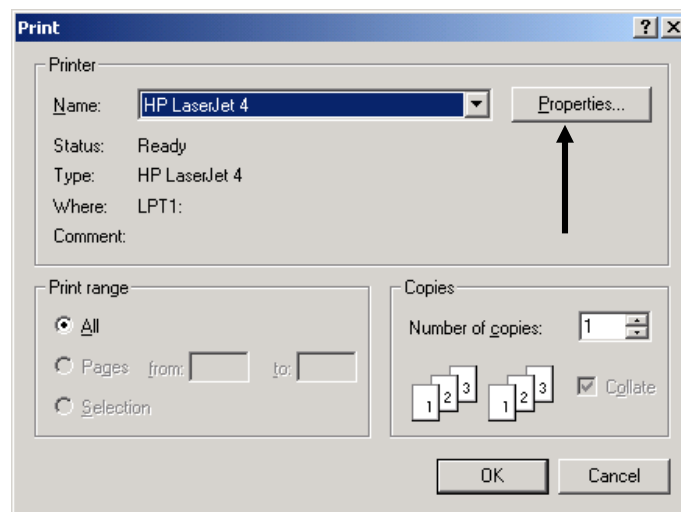

**Recommendation:** You should change the format of the printout from *Portrait* to *Landscape* to print all the columns on the same page.

#### Steps

To change the print format, follow these steps:

Step	Action
1	Click the <b>Print</b> button on the <b>View Prosthetics Billing Information</b> window.
2	Click the <b>Properties</b> button (to the right of the <b>Name</b> field) on the <b>Print</b> dialog box. Continue to the next page.  <b>Shortcut:</b> Press the <Alt> key + <P> key.

## MS Excel data

Step	Action
6	<p>This is only a temporary file so if you wish to save the data you must select <b>File</b>, then <b>Save As</b>, then change the name of the file.</p> <p><b>Note:</b> To save the file, you <b>must</b> change the filename from the default. If you accept the default file name, it will be deleted when you close the NPPD window.</p>

## Temp file location

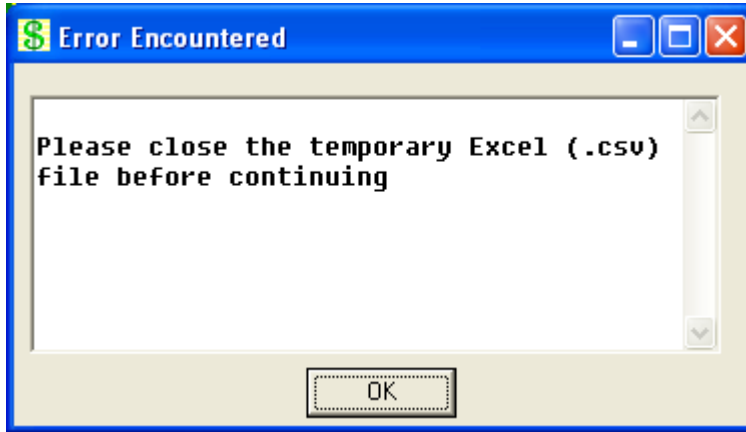

Should you wish to check the location of the temp file, it displays on the View Prosthetic Billing window right above the Excel button.

**\*\*Note\*\***

You will be unable to export another report to Excel or navigate away from the View Prosthetic Billing Information window until the current Excel (.csv) file is closed. Attempting to do so without first closing the file will result in one of the following errors depending on what action has taken place. If you do save a file with Patient Identifiable Info in it, don't forget to delete it when you no longer need it.
